

# spa details

we suggest you arrive 15 minutes before your appointment to ensure a relaxing start to your spa experience. late arrivals will reduce the time of our treatments, so we do not delay the next client.

to preserve a peaceful experience for everyone, cell phones and pagers must be turned to a vibration. phones can be used at a break in your appointment in the kitchen or office areas.

we may require a valid credit card at the time of your booking to secure your appointment.

please honor our 24 hour advance notice cancellation policy. spa packages require 48 hours notice. no-show appointments will be subject to a billing of the full service amount.
